

Ingersoll Rand Forklift Part

Ingersoll Rand Forklift Parts - Ingersoll Rand offers products, solutions and services to ensure efficiency and increase the productivity in commercial, residential and industrial environments. They pride themselves in providing products in order to improve the health, safety, comfort and security of individuals all over the world through their four global segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting services, parts support and advanced controls for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products to be able to enhance energy efficiency, productivity and operations for their customers. The series of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in utility and golf vehicles meant for people and companies.

Popular brand names like for example Trane and Schlage compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all over North America. Several of their innovative quality products include mechanical and electronic locks, indoor air quality solutions, heating and air conditioning systems, portable security systems, advanced controls and remote home management.

Ingersoll Rand' Security technologies offer products which ensure safe, productive and secure surroundings. This division's market leading products include floor and door closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel doors and frames and locks, decorative hardware and locksets. Popular trade names like for example Schlage also provide personal, time and attendance scheduling systems.
