

American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning equipment which are known within the business as durable and strong machines which meets the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind model of floor scrubber with the Clarke Company that is currently also owned by Nilfisk Advance. Their production operations are based in Springdale Arkansas. These types of scrubbers are available in the market under the trade mark name "Encore". American Lincoln has the ability to supply warranty service, machines and components for these types of scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice equipment of big distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of various facility supervisors where efficiency and results count. Recently, this floor scrubber model has been requested by the architects in different construction projects like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's excellent quality and utmost performance level for polishing concrete.
