

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience successfully designing, developing, marketing, manufacturing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to offering top quality and new design concepts to be able to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like offering products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements together with their knowledge of cleaning applications, along with owners' strong desire to significantly lessen cost through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both parts and in technical support would be available. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machines ready and working daily is top priority. The company's top of the line technology delivers reliable machinery that ultimately lessens your cleaning cost. The product, the price and the service all work as one to make them the leader in the industry.
